Subject: Invitees to CEC Closing Dinner

Hi Sarah - a logistics question influenced by AO direction. Every participant in the CEC Council Session must be registered on the CEC website. This is for credentials, but it is also particularly important for the closing dinner as it affects participant count/costs, and meal selection (which is done at the registration time). We are set with the normal delegates, but I wanted to check with you on local VIPs. Can you please advise on two things:

- who will or has been invited to the CEC Council Session and to the dinner
- Contact info so that we can have the Secretariat send the them link to register for the Council session and the dinner.

Based on our previous conversations and the design of the program, I anticipate/suggest the following invitees to register for CEC and dinner:

- Mayor Holt
- Governor Fallin
- OU President
- Innovation Hub Director Tom Wavering
- Fab Lab Director Brandt Smith
- Ronnie K. Irani Center Director Jeff Moore
- Dean for OU Price College
